Baños Adventure

This fun-packed "Study and Travel" program offers the chance to experience adventure in the beautiful mountain-encircled city of Baños. Highlights of this trip are river rafting, either biking or horseback riding and hot springs. A night tour to an overlook of the volcano Tungurahua near Baños is also part of the fun. And don't forget the night life of Baños, which is well worth exploring.

On the fourth day you will visit the natural wonders of the Hola Vida reserve in Puyupungo, and visit a local jungle community. The trip includes a canoe ride and a visit to a gorgeous overlook. Take in the view of the river and jungle.
